

B GRADE

CXR CONTROL

- >> 3-PIECE PERFORMANCE
- >> FAST BALL SPEED
- >> LONG DISTANCE

CODE: CSP-CXRPROMO

The CXR Control is a 3-piece performance ball that combines fast ball speed and long distance with softer feel and greenside control to help you hit pinpoint approach shots for lower scores.

- > HEX Aerodynamics - Reduces drag and produces a more penetrating ball flight for more distance.
- > Lonomer Cover - Promotes low driver spin for long drives and is built to provide max durability.
